

How to Share your Buncees with your Buncee Buddies

Attached are the steps to sharing your Buncees with your Buncee Buddies. There are two options for sharing your classroom's Buncees with your partner class.

If you have any questions, email us buddies@buncee.com!

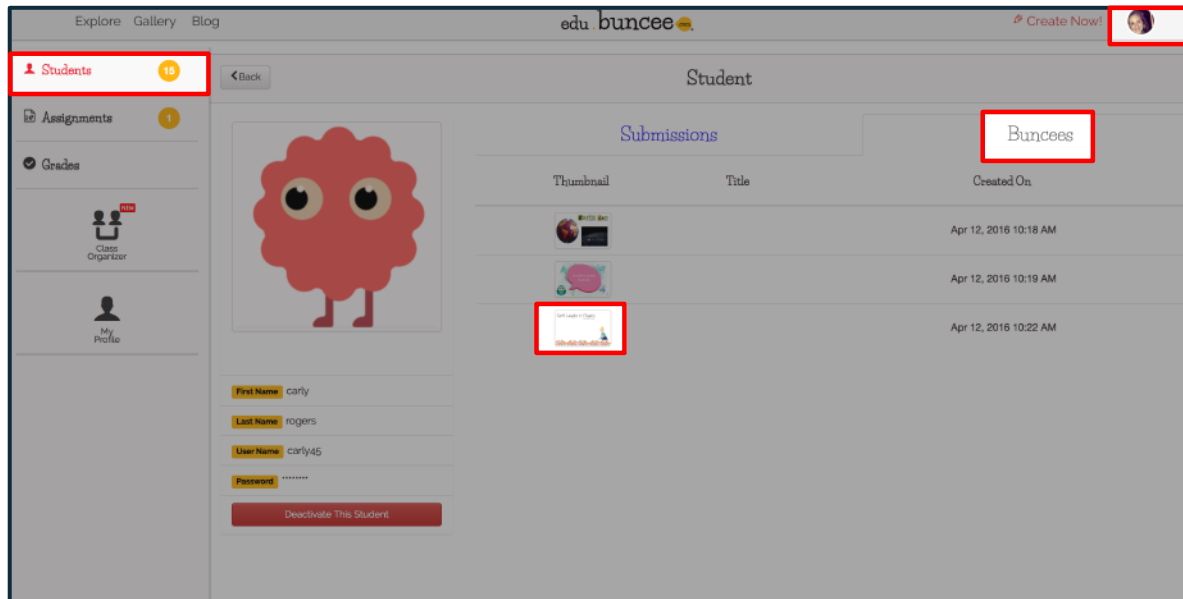

OPTION 1

Copy & Paste Buncee Links Into A Document To Share

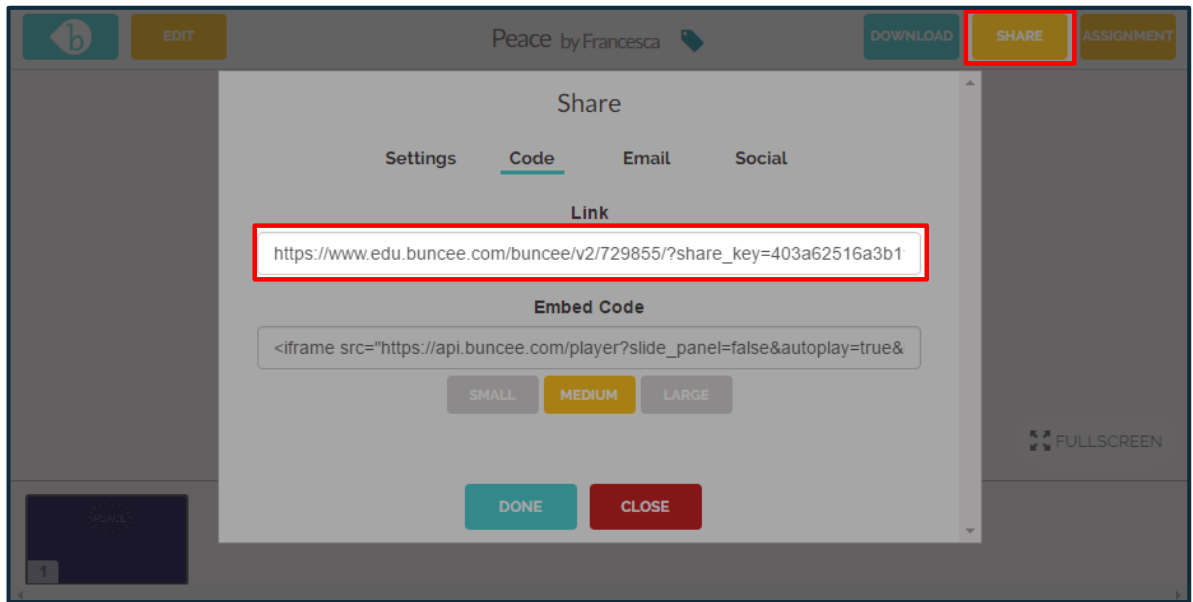

If you are an eduBuncee Plus user, you can copy the URL of your students' Buncee into a document and share this document with your partner teacher. Students signed up for an eduBuncee Free account can copy and paste the URL of the Share Link to their Buncee in a shareable document.

OPTION 1 Copy & Paste Buncee Links Into A Document To Share

1. EduBuncee Plus teachers can log into their teacher account and click "**Dashboard**" from the drop down menu under your profile picture top right corner.
2. When in your "**Dashboard**", click the "**Students**" tab on the left side of your screen.
3. Search for a particular student to go to their account, or simply click a student's name listed.
4. Click "**Buncees**" to see the Buncees created by this student. Scroll down to see the most recent Buncee, and click to view it.
5. Copy the URL of the student's Buncee. Paste the URL in a Google Doc or email to share with your Buddy.
6. Repeat for all the Buncees you wish to share with your Buncee Buddies.

OPTION 1 Copy & Paste Buncee Links Into A Document To Share

*If your students are signed up as eduBuncee Free users, when they are viewing their Buncee, they should click the Share button on the top right corner. Then, they can copy & paste the Share link into a document to share with your Buddies.

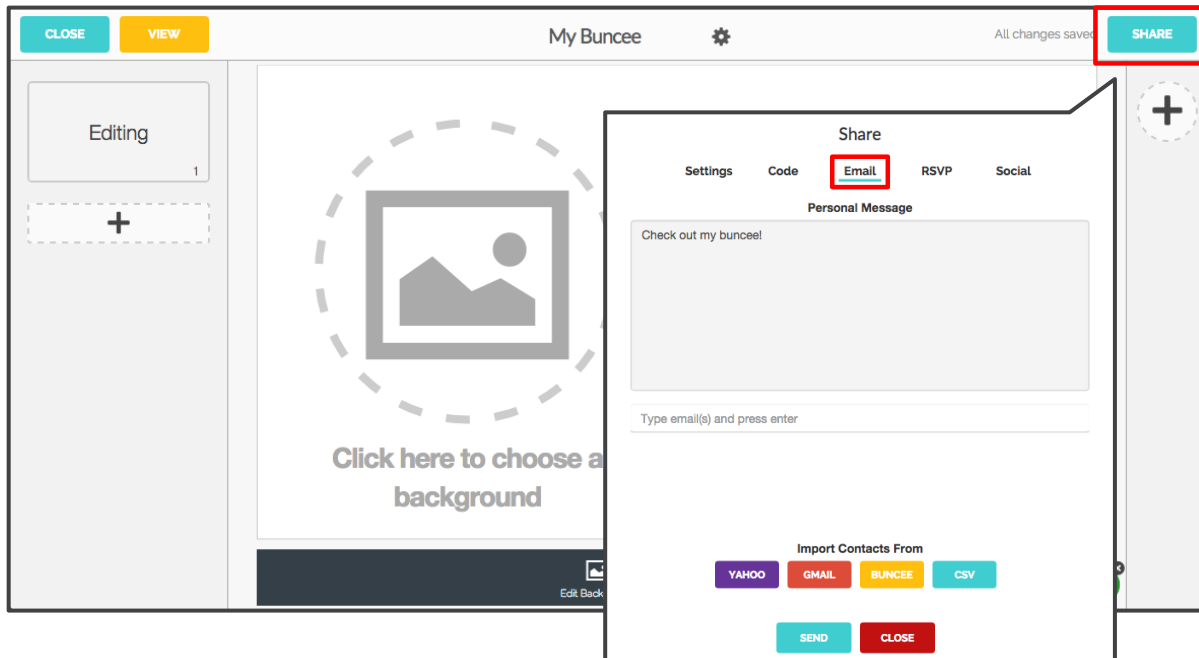

OPTION 2

Students Email Buncees To Their Buddies

Students can email their Buncee creation to their partner teacher directly. In doing so, the partner teachers will get an email from each of their partner students with their individual Buncees.

OPTION 2 Students Email Buncees

1. Once students finish creating their, Buncees, have them click the blue colored **"Share"** button located on the top right corner of their screen. This will open a **"Share"** Window.

2. In the **"Share"** window, have students click the **"Email"** tab. Students can type the partner teacher's email address. In addition, they also have the option to type a personal message to their partner teacher and student.
3. Once complete, each student can click **"Send"** at the bottom to share their Buncee!
